READING

Read the postcard below and answer the questions.

Dear Thomas,

Greetings from Rome, Italy. My parents and I are having a great time in this fascinating city. We're staying in a nice hotel with a spectacular sea view. Our room is so big and comfortable. The weather is fabulous. It's hot and sunny every day. We've been here for three days and already been to lots of nice places. On the first day, we visited some historical places such as Colosseum, Trevi Fountain and the Roman Forum. They were awesome. On the second day, we sunbathed on the beach, swam in the sea and played beach volley. It was so enjoyable. In the evening, we went to Via Del Corso, the most famous place for shopping in Rome and I bought lots of wonderful souvenirs for you and my grandparents. Yesterday, my brother and I tried windsurfing and water skiing. They were more amusing and thrilling than I expected, but my brother thought they were not exciting. We haven't been to Venice, yet. You know I have always wanted to take a gondola ride in this romantic city. I hope we'll have time to go there. Today, we are going to try paragliding and skydiving. I'm so excited!

Lots of love
